He was the best Grandpa I could have ever asked for. Seriously. I feel so lucky that I had a Grandpa who played such an active role in my life. Every memory I have off him... which is many... is full of laughs and love. Every single one. He was prepared for literally everything and therefore made everyone around him feel safe and looked after. We would always say "Poppy can fix anything"... and it was so true. I never found anything he couldn't fix. He was the handiest man around. I will miss him every day. I will love him forever.

Dear Diane and family. I'm so sorry to learn that Ron has passed. He and Robert Ramirez, my late husband, worked together for years and years and were good friends. I know his memory will live on in the crane business as he, like Robert, were very proud of their accomplishments in the industry and loved their work. God Bless you and your family in this time of sorrow. Sincerely, Tere

Diana I'm so sorry to hear about Ron. We went to Peace Lutheran church together as children. I knew his grandparents and Mom and aunt Verna. He is a little older than me. We girls thought he was so handsome when he put on a suit to usher on Sunday morning. The steadfast love of the Lord is new every morning. Becky Bourdage
