She was born to the late Ramon and Ramona Perez at Dos Pueblos Ranch, in the county of Santa Barbara on July 1st, 1931. Together with her siblings, Florence Mireles (deceased), Juanita Vargas, Ignacia Bermudez (deceased), Estella Mora, Ruth Cesena Meeks (deceased), Raymond Perez (deceased), Joe Perez, and Maria Elena "Lena" Collins (deceased), the Perez family went on to grow and thrive. Natalia Ledesma lit a candle in honor of Guadalupe.

Lupe was a regular guest at our salon/cosmetology school, Bellus Academy, for what seemed like forever. I grew close to her and her daughter Olivia, and looked forward to their visits as they always arrived together and in good spirits. Olivia is a direct reflection of her mother, Lupe, always smiling and spreading happiness wherever she goes. Lupe will be greatly missed and her spirit will live on through her memories. I will miss seeing her smiling face, may she rest in peace and watch over us all. To Olivia, my heart is with you completely, as you know I am here for you please do not hesitate to call or text me if there is anything I can do for you. Even just a hug or someone to listen to. Sending you love, Natalia Ledesma

My brother Johnny my sister Irene my brother Danny and I were extremely blessed having Lupe for our Tia. We considered her not only our beloved Tia but also a friend. She was the "rock" of the Perez family. A person who tried her best to get all her siblings together when the Mireles family would come to San Diego for a visit. When my brother Danny and I would come to San Diego during our summer vacations our Tia Lupe did her best to make our visit very enjoyable. Of all the fine qualities I admired of my Tia Lupe the one that inspired me the most was her inner strength to overcome the tradgeties that she encountered in her life. "God willing" Tia Lupe we will meet again. Thanks for everything. Love your nephew, Tony
