Rachel Gonzalez-Weekes

DEC 19, 1963 - SEP 10, 2019

Rachel Gonzalez-Weekes was born on December 19th, 1963 in San Diego, California to her proud parents, Francisco and Aurora Gonzalez. Rachel was a San Diego native, but did spend about 8 years residing in South Florida from 1990 to 1998 before returning back to San Diego. She dedicated about 25 years in the sales business. Rachel met her first husband Tom Flannery, and shares two beautiful children with him. Rachel was an avid hiker and loved the wilderness. One could say she was a wild flower. Rachel then met Robert Weekes whom she fell deeply in love with and married. They spent 17 beautiful and cherished years together. Rachel was a woman of faith and was called home on September 10th, 2019 at the age of 55. The social butterfly she was, Rachel had many friends that will miss her bright soul. She is survived by her husband Robert Weekes, her two children Melissa Ingold (Jesse), Tommy Flannery Jr., her grand daughter Clover Ingold, 5 sisters and 4 brothers. She will be missed dearly by every one who knew her.

My love and prayers to the Gonzalez family .. Rachel's kids & grand daughter.. to Rachel's husband and all her dear friends .. I'm blessed for the years being Rachel's friend as a teenager she was lots of fun and full of vibrant energy. Will always remember the weekend fun at the US festival 83. Through the years knowing Rachel never knowing her life would be cut short. Too young.. I wanted to know her when we were old ladies so we could talk about our youth. It came to a sudden halt. It was time for Rachel to go home with the lord. God bless you and now Rachel is resting in peace . Nonnie | Sharon Lily Savas

Rachel was a treasure to know and be around. Her vivaciousness was wonderful. I remember, and she often reminded me of, a time back in 2001 when we were joking about something and she said something that might be viewed as scandalous to some, but funny to others, and being a priest I still went along with it and reached through the buttons of my shirt and took the cross I had on a chain and thrust it forward as if warding off evil. To the amazement of us all, the shelf above her head came crashing down! True story. And a true story she would frequently remind me about. Not only was she an employee of mine, but from that day forward she became a friend as well. We would frequently tease each other with things that may have caused one to stop in their tracks, but never Rachel. She was full of life and fun. The good Lord was missing out on this fun, and decided he wanted her close to His bosom where He too can enjoy her bright personality. Rachel, I know you are now at peace, relieved of the pain of earthly life, and in a joy we can only dream of having. We will miss you, of course, but also rejoice in the life you shared with us. May you rest in peace eternal with the Angels. To her family, you have my deepest condolences. You will be remembered at Mass. May Christ's presence be with you in this time. In Christ, ++ The Most Rev. Robert Winzens (AKA: "Pope")

Ms. Rachel was always so kind and has such a beautiful smile. Whenever we were around her, we felt welcomed and she always made us feel like we were at home. I remember going to visit her and Robert for dinner and she made the best Chile Relleno. My wife (Carrie) was never really a fan of these until she had a taste of one that Rachel made...afterward, she was hooked! Rachel had a kind soul and was a loving, caring person who loved wholeheartedly...which you could see in her relationship with Robert. She inspired me a lot through her social media posts and how she continued to use her faith to promote positivity and strength. My wife and I are glad that we met her and thankful that we were able to share as much time with her while she was here. I am a firm believer that people come into our lives for a reason and they can leave a lasting impression. We will miss Rachel, but I know she is in a better place and still smiling so brightly. Rest in Heaven Ms. Rachel, as your work here on earth is done! I have always found comfort in this poem and I share it her for Robert and anyone else who needs it. Hope it lifts your spirit and brings a smile to your face! As I sit in Heaven and watch you everyday. I try to let you know with signs, I never went away. I hear you when you're laughing and watch you as you sleep. I even place my arms around you to calm you as you weep. I see you wish the days away begging to have me home. So I try to send you signs so you know you are not alone. Don't feel guilty that you have life that was denied to me. Heaven is truly beautiful just you wait and see. So live your life, laugh again, enjoy yourself, be free. then I know with every breath you take you'll be taking one for me!

Rachel, I just want you to know how much I valued your friendship. We spent countless hours on the mountains sharing our ups and downs, our heartaches and our triumphs. We spent time enjoying food and oh so much dancing. I loved the way you described a dish or a recipe. I loved the way you treated me. I will miss you, I will carry you in my heart most especially when pounding the dirt on the mountains. Love you forever Irene
