Julianna Campos

OCT 6, 2004 - FEB 12, 2019

Julianna Esmeralda Illeanna Campos was born in San Diego, California on October 6th, 2004. Her entrance into the world brought unequivocal joy to those around her, especially to her parents Billy Campos Sr. and Rosa Leyva, and her older brother Billy Angel Campos. Everyone called her “Julie”. As a toddler Julie was sweet and silly but also remarkably brave. She was a ball of energy who loved to run around until it was time for bed. She brought warmth, happiness, and endless laughter to our lives. Julie grew into the role of big sister after Jenny and little Rosie joined the family. This was by far the most important aspect of her life. She selflessly watched over her siblings, not only Jenny and Rosie, but her big brother too. On February 12th, 2019, Julianna received her wings. While we are heartbroken at her departure, we are certain that she is continuing her role as big sister from Heaven. We are blessed to have such an angel watch over us all. You are forever in our hearts Julie bean. The family will be having a Memorial Service at Greenwood Memorial Park & Mortuary. Julie you were the most loving, caring, and the realiest person i knew. You always made sure i was okay, you always put yourself before anyone. You were not only family to me but you knew you were my best friend forever and always. You have a special place in my heart that no one can ever replace. I love you for always being there through the rough patches and always putting a smile on my face. You stuck by me when no one else was there. I miss you so much, i loved you then & I'll love you forever. LLJ ????

"What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch. We may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to ever forget" May you Rest In Peace my beautiful Julie
