Einar Neil Johnson

MAR 31, 1929 - JAN 25, 2019

Einar was born on Sunday, March 31, 1929 in Metuchen, Middlesex County, New Jersey. He was born to Fred W. Johnson and Surena A. Aikens Johnson with a half-sister, Elma Duncan Schauer, and half-brother, John William Duncan. Another brother Fred Johnson Jr. was born later. The family had moved to New Jersey from San Diego prior to his birth because one of his father's brothers lived in Plainfield, New Jersey. By 1935 the family had returned to San Diego where his father was a ship carpenter building fishing boats for Portugal. During his life Einar has lived in New Jersey, Riverside, San Diego County in California and Ashland, Oregon. Einar was a journeyman plumber. Einar married Florine Cora Abb Hollens on Saturday, January 9, 1954, in Bonita, San Diego County, California. He loved his beautiful wife. She was 31, he was 24. They had no children. They enjoyed traveling the United States camping and fishing. Einar and Florine made many trips to Oregon to visit her family, often for extended stays in Ashland, OR. Einar was a great storyteller and witty with a memory for details. He enjoyed visits from family... He went to nephew Corky and Evelyn's for Thanksgivings and niece Darlene and Ken's home for Christmas Eves. His birthdays were always celebrated with family. He had a special bond with Darlene's husband Ken who helped him through the years and made him laugh. A highlight that made Einar happy... Corky (who always made him smile) arranged for Einar to meet his (and Fred's) childhood friend, Don, for what was his last birthday. He loved all his family including nieces and nephews from San Diego, Colorado, North Carolina, Missouri. He was proud to hear of each of their accomplishments but especially the talent of his nephew, Peter Hollen's. He bragged that he was in Colorado for Peter's birth. Lemon Grove Care and Rehab Center in Lemon Grove, California was his home for many years. We'd like to thank the "Angels" there who cared for him daily. His wife, Florine passed away in Monterrey Trellis on Thursday, October 6, 2011, in Spring Valley, San Diego County, California, where they

resided. Einar was the last of his siblings. He is survived by a multitude of nieces and nephews; but Heaven is now his home.

We were blessed and thankful that we were there when you were ushered into "heaven." We were saddened that your last few years were hard. But we are 'oh-so-happy' that you are now with JESUS, Aunt Flo, Nanna, Aunt Virginia, my mom (your sister, Elma) and Dad (Harold) and all your loved ones there. Give them a hug (xo) from us. Have you fished yet with Uncle Fred and Uncle Bill? We imagine that you have already explored God's beautiful paradise or are planning to... To think of nothing but unconditional love where you live... wow! Please save us a seat at the banquet table in the sweet bye and bye... Love always, Ken and Darlene

Uncle Einar, what a privilege to have been with you when you were ushered into heaven... It saddened our hearts that your last days here were hard; but we know what awaited you there made it worth it all. Ken and I love you. We are thankful that you are at rest with Aunt Flo, Nanna, our mom (your sister Elma) and dad (Harold) as well as your other loved ones. How is the fishing there? We figured you and Uncle Freddie were seeking out places in God's beautiful paradise... Please save a seat for us at the banquet table in the "sweet bye and bye..." Ken and Darlene
