Dear Bill (AKA Dad) Pat was loving, kind and giving. Most of all she brought happiness to you. Pat will be missed. We know Pat is now with our Lord and Savior. Pat has no more pain. May she rest in peace. Steph and I will never forget Pat. As you know her many gifts to Steph and I are reminders in our home of her love and kindness. Pat loved to scroll saw and is very talented. We cherish her gifts of many as displayed through out our home. The other night, the night before Pat passed, I was acknowledging one of the Mustang pictures Pat made for me on her scroll saw. Its been hanging in the same place for many years. That night though the picture caught my attention. I believe God communicated to me that Pat was going to be OK. I didn't know at that time what the message was, but now I know it was God letting me know that Pat was with him. I hope this is comforting to you and your family. God bless and comfort you.
