To the Family of Jean Stoddard , I was so sorry to hear of her passing.. Jean was a dear friend and she will be missed by all who knew and loved her. It has been a while since I have been able to visit with her since I moved to Nevada. She was so kind a caring to me and my family. She was so creative in all that she did. A wonderful seamstress. I remember her making all of the uniforms for the majorettes at Hilltop Junior High School for me.. She amazed me as she never even used a pattern.. I also remember all the Birthday Luncheons we attended together. May God Bless you all and may it bring you peace to know that you will all be together again some day

Jean was a very dear friend. We had many fun times playing skip-bo, going to movies, and to lunch with many of our friends. She was very creative and enlisted our help when she was decorating for a wedding, or a Relief Society function, or a funeral luncheon. She was always willing to help anyone in need. She will be sorely missed.
