Pete and Pam, you have my deepest condolences of the loss of your sweet Kay. Although I only met you and Kay one time (at Martha Brock Wood's funeral in Jun 2010), you all left a great impression with me. I could see in the way you took care of Kay that you were both lucky to have each other. After talking with you and Kay only a brief time, it felt like you two were my own aunt and uncle, as well as Debbie's. I'm sure Debbie has given you her condolences on the phone, but I wanted to add my own.

I always enjoyed going to California to see Pete and Kay and she always lit up when Corey would bring his two girls over to visit. She will be sorely missed.
