# Anshita Singhal

SEP 26, 1998 - SEP 23, 2018

**A**nshita Singhal was born in Nagpur, India on September 26th, 1998 to her proud parents, Shashank Singhal and Anu Singhal. Her family decided to move to California soon when Anshita was one year of age. She resided in San Diego for about 17 years. She was currently a student in UCSD. Anshita passed away on September 23rd, 2018, a few days shy of her 20th birthday. Anshita is survived by her parents, Shashank, Anu and her sister, Megha. Although she has left us too soon, she will always be loved, remembered and cherished by her family and friends. In lieu of gifts and/or flowers, please donate to a charity of your choice in Anshita's name. We sincerely thank you for keeping her in thoughts.

I am so sorry about your recent loss. The Bible is a good source of encouragement during difficult times like this. The Bible promises us at Revelation 21: 3, 4 that "death will be no more." This is very reassuring to us when we lose our loved ones. You can have confidence that you will see your dead loved ones again because John 5:28, 29, says: "Do not be amazed at this, for the hour is coming which all in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life." May these scriptures comfort you all!
