Sue Alice Hawkins

NOV 26, 1940 - SEP 16, 2018

Born Sue Alice Skipper on November 26, 1940 in Breaux Bridge, LA to the late Andrew and Beatrice Skipper. She moved with her family to Brawley, CA from Breaux Bridge, LA when she was twelve years old. In 1959, she met Richard Dale Hawkins while visiting San Diego, CA. Shortly thereafter, they were married making San Diego their permanent home. Sue was a woman of strong work principles at home as well as on the job. She was a caring Certified Nursing Assistant in her early years then transitioned to education where she was a loyal employee of San Diego City Schools as a Teacher's Aid for 20 plus years until her retirement. She was the eldest daughter of nine children which led her to become a nurturing care giver early on as she helped her mother Beatrice with the supervision of her younger brothers and sisters. She was always busy especially helping others. Her home was opened many times to family and friends. It can be said of Sue Alice she was consistently there when you needed her – be it a ride, a shoulder to cry on, or a listening ear. She loved music, playing cards, gardening, and cooking her favorites: greens, sweet potato pie, and pineapple upside cake. Sue remembered everyone's birthday including the year, and always greeted you with a smile and hug. She had an uncanny sense of humor with her unique ability to use words out of context guaranteeing a conversation with her would bring laughter your way. Sue leaves to cherish her life one precious daughter Rhonda Moten and son in law, Ronald Moten, Sr. They have three children who know her as Grammie. Noell Cain, her husband Chris, and their son Leo (her first great grandchild) of San Diego, CA; Ronald Moten, Jr of San Diego, CA; and Aleah Moten of San Diego, CA. Siblings Lynn Rogers, Jean Bell, James Skipper, Geraldine Harris, Diane Adams, and a host of nieces, nephews, relatives, and friends. We all loved her very much and she will truly be missed. Sue was preceded in death by parents Andrew and Beatrice Skipper, and siblings Andrew Skipper, Johnny Skipper, and Gilbert Skipper.

Precious Dee & family we love love love you so very much. Remember death is not an end but a beginning for the Holy Scriptures say our stay here on earth is temporary for we are spirit in a body that's why to be absent from the body is to be present with our LORD who is SPIRIT. Grateful to have known my/our auntie who you call mom and Grammie.

I was Sue's neighbor for many years. I enjoyed listening to the stories Sue and Lorenza would tell of their younger days. We laughed a lot. My husband and I would like to extend our condolences to her family. We pray you will find comfort through family and friends.

We realize these are difficult times as your hearts are broken by Sue's passing. However, we trust that you will find a way to not only reflect on the huge loss her absence will bring, but also remember the amazing life she lived and the memories you were fortunate to create with her. We are praying for each of you and grateful that our mother was able to call Sue, a sister during her lifetime. Love you so much.
