I had moved away from area and just returned back to Poway and am so saddened to hear of your parent's deaths. Wally and my deceased husband, Gene Perry , were partners for many years and also formed a great friendship. Nancy was always friendly to me and we went out to lunches, etc. from time to time with our hubbies. I know it is hard to go thru this loss., and I will miss Wally's calls... after Gene's death....always telling me " Getting old ain't for sissies" and "these aren't the Golden years...more like the Rusty years" and would always cheer me up and get me laughing. They both lived long lives...so we can have many memories of both of them,as I know you will. God bless all the family. Mary Carolyn Perry
