So sorry to know that June has passed away. Our friendship goes way back to the late 50's in Toledo, Ohio when Ron and my husband Chuck worked together for Liggett and Myers Tobacco. We shared some wonderful times together, and Ron was a groomsman in our wedding in 1960. June taught me to cook a chicken! We moved away, and they moved to California, and we lost contact for the most part – but did connect a few times thru the years. One time when Ron was on the roof of their home with a garden hose when a fire was very close. We have driven by the home they lived in in Toledo, and reflect of fun times there. Thank you for posting her obit on facebook. RIP June.
