Constance M. Brown

DEC 6, 1957 - JUN 22, 2018

Constance Marie Brown Constance Brown, AKA Connie, was born in Claxton, GA on Dec 6, 1957. Within a month of her birth she travelled via train to San Diego, where she spent her entire life until God called her home on June 22nd, 2018. Connie attended school locally graduating from Kearny High School and attending both City and Southwestern College. All who knew her would agree that she lived life on her own terms. Being the social butterfly that she was, it was no wonder that she would embark on a career in Customer Service. One of her greatest passions was gardening and she had a pretty green thumb. Some of her hobbies included sewing, reading, board games and puzzles. Connie also loved the Lord and could be heard quite frequently listening to Gospel music, and singing along quietly. In 2006, Connie married her long time love Timothy L Brown. Although they were married for 12 years, they were actually friends for over 30 years, to which Connie would often say, "I married a good man." She had an infectious personality and will be sorely missed, but forever in our hearts! Connie is survived by her husband Timothy L Brown, stepdaughter Sara Kruzan, and grand-stepdaughter Summer Kruzan. Mother Luveda Brazelton and sibling Patrica Hogan; Neice Martina and (George Groff), grand nephew George Groff Jr. III, and grand niece Mia Groff. She is also survived by her in-laws; Mark S Brown, Ann and (Byron) Rogan, Cecilia Swiney, and Matthew and (Ursala) Brown, and a host of family and friends. She was preceded in death by her father Alvin Brazelton, and sister Sanita Hogan. In lieu of flowers, please make donations to Alzheimer's San Diego.

Psalm 116:15 Precious is the sight in the death of his saints. I am still dealing with the sudden loss of Connie. We first met at city college and I teased her about her big eyes and she had an infectious laugh and she could walk into a room and own it. Connie loved her gospel music especially songs by the late great Reverend James Cleveland. And she liked Oh Happy Day by the Hawkins family. Connie loved her family to the core and there would be nothing she wouldn't do for her family. Connie, I never had the chance to thank you, for telling me to be truthful about myself. Thank you, I have always been grateful for your advice and it worked. You have fought a good fight and now it's time to rest; until we meet again. Good night

Psalm: 116:15 Precious in the sight of the Lord is the death of his saints. (KJV) My goodness. Words cannot even express how I am feeling. When I first met Connie she was the one who can walk into a room and own it. I use to tease her about her big eyes and speak about her infectious laugh. Connie loved her family to the core and would do as much as she could to help. Each year on December 6, I always remembered her birthday. Upon hearing about her passing, I remember just trying to soak everything in at once. I also never had the chance to thank you for telling me to be myself, and to be truthful (we know what I'm speaking about). Thank you, Connie, for being that friend. I know you're already in Heaven, waiting for us. It won't be long till we see each other again. In the meantime, I will be checking in with your Mom and your Sister. Love Always

Words cannot express how much I miss my sister Connie. I will never feel that we got to spend an adequate amount of time together but I thank the Lord for the time he allowed for us all. Connie was special to me in so many ways. I will forever keep Connie's memory alive in my heart. RIP my beautiful sister!
