Mum Hilda and I will miss you very much Tita Meds. You have been part of my teen age life and I will never forget the kindness and love you have imparted to my family. Whenever I see a camera, I remember you because you lent me yours when I needed it for university. I will cherish my time with you. You are truly kind and compassionate. Thank you for the trust and confidence you gave to me as a young person. Condolences to Wilma and Wynna and the rest of the family.
