Jean F. Vasely

DEC 7, 1927 - JUN 4, 2018

Mrs. Jean Frances Vasely passed away peacefully at her home on June 4th, 2018 at the age of 90 in Coronado, California. Jean was born on December 7th, 1927 in Ossining, New York to James and Florence Cahill. She was the first born and an only child, growing up in Yonkers, New York. She attended the following schools: Yonkers Public School #14, Mark Twain Junior High, Roosevelt High School, and then became a Registered Nurse through the Army Nurse Corps program at Flower 5th Avenue Hospital. Jean spent about 50 years in nursing, retiring in 1997 (19 of those years she was an Emergency Room RN at Coronado Hospital). She married the love of her life, Mr. Edward J. Vasely, on June 17th, 1950 at St. Mary's Church in Mt. Vernon, New York. Jean was a loving devoted wife for 68 years. She and Edward had a full, wonderful life together, enjoying their children and church family. Jean was an active volunteer at Sacred Heart Catholic Church and with other organizations. She was a member of the Women's Sewing Club at church, and a member of the Coronado Gardening Club. Jean was also a Senior Volunteer at the Coronado Police Department for 20 years. Jean was a very giving and loving woman who was strong and loyal to her family. She loved gardening, sewing, and making people smile. Some of her favorite past times were listening to music, including the 40's era, and piano music. Jean and her family also loved going to their family lake property in Eaton, New York. Jean is survived by her husband, Edward; 6 adult children, Debbie Cea, Mike Vasely, Paul Vasely, Bob Vasely, Denise Compton, and Pete Vasely; 8 grandchildren and 8 great-grandchildren. A special request from the family... In Lieu of flowers, please donate to Silverado Hospice in San Diego, or to the Wounded Warriors Project. "Life" is the book we will never quite finish because there are so many pages to be written and we're never quite sure when it will end or how it will end – but we, as Christians, know God keeps his promises and we, too, like Jean, shall be with Him. Jean was my friend, my confidant, my soulmate and cohort. I shall miss her dearly and the loss of contact with one so very dear. She was comfortable and game to do just about anything and virtually liked everything about life. Jean was a healthy fulfilled person, proud of her family, loyal to her friends, and devoted to her beloved Ed. I will always treasure our together time – doing patrols, shopping, casino trips, GNO's (Girls Nights Out), and long, long chats – so many, many of those. Blessings and our deepest sympathies to the family ...And to you, Jeanie: "G'nite, Babe, love you and see ya' later". Fran

Deb, I am so very sorry to hear of your Mom's passing. She was a special person to me-she seemed to always be there while I was growing up. As an adult, I sincerely enjoyed the many visits we spent together-both on the dock and in the camp! I always looked forward to seeing her each year. I will miss her terribly. To me, she was a wonderful lady, whom I grew to love as a "Mom" figure up at the lake. You and the rest of the family have been and continue to be in my thoughts and prayers during this difficult time. I love you all. I look forward to seeing you at the lake so I can share hugs. With much love, and loads of fond memories that will live on with me, Sally Sakshaug xoxox

Mom, We had made so many plans and we thought we had all the time in the world to get to it all. Intellectually, I knew that with you at age ninety, we would have to look at time as a precious commodity, but I really never worried that we wouldn't have many more years together. But that dreaded cancer came and brought all our wonderful plans to a halt. It all happened all to fast. We'd just celebrated your 90th birthday in March...later than expected but what a wonderful day it was! And here we are three months later planning your funeral! I am devastated that you are gone but I couldn't bear to have you suffering any more and I'm happy that you were ready when God called you home on Tuesday. I know you are there in heaven with your Mom and Dad and Barbara and John, the babies you had that didn't survive. I know how happy you are to be with them again. You are now my special angel in heaven and I look forward to feeling your loving presence in those quiet moments of prayer and seeing your smiling face in my dreams. I hope you know how much I love you.

My heartfelt love and sympathy for you all. Jean was a big part of my family as well. We all loved her so. I always enjoyed my NY visits when she was also visiting. She is in God's hands now and out of pain. RIP Jean. All my love to all of the Vasely's. God Bless.
