Mom, this world was a better place because of YOU. Thank you for instilling strength in me, for always loving me and welcoming me as your own, and for all the smiles you put on my face when I needed them most. You live on through your beautiful children and wonderful family, and I will forever be grateful that God let me borrow you for the time he did. You are so sorely missed, and we cannot wait to reunite with you in paradise! Until then, Godspeed my angel.
