Suegra Helen- Thank you for always being there for me and my family before and after marrying your daughter "Lori" (Helen Nuñez). You and my Suegro Roberto always made everyone feel welcomed at "Nana & Tata's House" whether they were family, friends, friends of friends and even people that you did not know very well. You and my Suegro Roberto always took the time to talk to everyone that needed someone to talk to or provided them food if they were hungry and even provided them a place to stay! Suegra, you thought everyone compassion and love by not even saying a word, but just with your acts of kindness! You set an example for everyone as a Wife, a Mother, a Grandmother, a Great Grandmother through the different stages of your life and most of all as a kind, decent and honest human being. Suegra, you will always live in our hearts and minds!
