Dear Terry ! She was truly one of the warmest most caring ladies I have ever known. Her strength and endurance facing all of life's obstacles was remarkable. My deepest condolences go out to the family. We soldier on.

Terry you were always so pleasant to me. Trying to teach me the steps to country dance. I was not good at it so you told me to just fake it and have fun. We enjoyed talking about jewelry and different recipes. I will miss your bright shining eyes and the way you always looked at Lenny with so much love. Lenny knew what to sing at the right time to his Sweetheart. God Bless you Dear Terry. Rosie xo
