Nana, it was such a blessing to have the honor of knowing you. You were such a loving Nana. Your kids and family were blessed to have you for so many years. Even though for me it was only a short time, it seemed like I've known you for much longer. May you rest in peace as an angel. You are with Tata and your sons. Love you Nana.

My dear Nana. I miss you so much since you have left me. I know you are in a better place up in heaven with my Tata and your sons. I still wish we could have had more time. Love you Nana ALWAYS!!
