I am a better person for knowing someone as pleasant and pure as Cheryl. What a privilege and honor to have been in the presence of her kindness and generosity embodied with grace and favor. On to heaven with the wings of an angel you wore here on earth.

I used to work with Cheryl. She was always professional and was so caring, and the hardest working woman I ever have known. She had a very gentle and caring heart. Heaven has a new angel, and I will never forget you, my friend. Rest easy, and until we meet again, I will miss you.
