## **Justin Inthavong**

NOV 15, 1990 - JAN 21, 2018

**J**ustin Inthavong, 27 of San Diego, CA was the beloved son of Bon Bounnak and Estella Inthavong, and the older brother of Ulana Fhon Bounnak. He was born November 15, 1990 at Valley Medical Center of Fresno, CA. At the age of 2, Justin's family moved to San Diego, CA and he eventually attended school at Valencia Park Elementary and O'Farrell Middle School. In 2009, he graduated from Morse High School, and was involved with the Reserve Officers' Training Corps (ROTC) program, where he enjoyed meeting and training with his fellow classmates and friends. Justin was full of dreams, while he aspired to become a mechanic and own his own auto shop, he also hoped to someday join the military and serve for his country. While Justin had had endless dreams, he also had a strong passion for music and dancing. Ever since he was a child, Justin loved singing and dancing and occasionally wrote his own music. Justin was always positive, warm hearted and a genuine person. He enjoyed being around family and friends more than anything. Justin's favorite saying was, "family over everything" because family was always his first priority. He was a happy and loving person who always cared about the people in his life. Justin was respectful to everyone who was lucky enough to know him. He was full of laughter and energy. His contagious smile filled the room with happiness and joy. Justin passed January 21, 2018. He will be missed dearly by those who knew and loved him. Justin wants everyone to be the best person that we can be and to love and care for each other.
