Ron my beloved husband. My heart has broken and I don't believe it will ever heal again. Ron you are the most kindest man I have ever know and Loved. Ron you are my first Love and Last. I keep in my heart and mind, what I would say and you would respond. "I love you Ron", "I love you too, baby". With your love in my heart and those words, you will always be with me. We will be together in heart, mind and spirit forever. Save a place next to you for me my beloved.

I miss Ron's strong friendship, wry sense of humor and gentle manner. He had a cany ability to to show you a new perspective and point out things you may have missed in any situation or discussion and his smile always lit up the room he was in. Ron was so fortunate to have a loving husband in Joseph who was always there to support Ron during his health crisis. — Ron Belanger

Unfortunately I never got to know Ron. But I did work with and come to know his husband Joseph. If ones loved ones are any indication, Ron must have been a very fine man indeed. My condolences and deepest sympathy to Ron's family and friends. I know how they must miss him. I hope that they will find comfort in His love. All my best. Susan Williams
