Mark, I'm so sorry to hear of your loss. I just lost my mom 2 months ago. It's been many many years since we went to St John of the Cross, but everyone I went to school with I consider family. If you need anything please let me know

To Mark and Scott....I knew you when we all attended St John of the Cross, and I have a distant memory of your mom from all those years ago. Very kind to me. I was fortunate to have found you Mark but am sorry that this is the circumstance. Wish I wasn't working or I would be there at the Mass, I live nearby. My condolences to you and your loved ones for the loss you must be feeling, yet hope that you are comforted in the knowledge that she was with you all for these many years. You may contact me at anytime by email. I hope that you do. God Bless you richly....
