Kenny and Keven-all of your family in New Orleans send their deepest regrets and condolences. I, personally, have such fond memories of Neno when I was a kid and would spend the summer down the street with Aunt JoAnn, Maurice and Brenda. Know that all of you are in our thoughts and prayers in this time of grief. We all send our Love.

My Prayers and thoughts are with the family. I did not have the opportunity to truly know Sonny, but when we did meet at the family gatherings it was always enjoyable. My condolences to all. I know that Sonny is in a better place and he is at home with family. A loss of a family member is something that leaves a void to the people that love him. We can only take solace that Sonny is with other love ones and he is no longer hurting. He is at peace.
