i miss you tata, more than ever. nothing is the same without you. you were the only one who constantly showed me love and made my life brighter. i wish you could be here for when i graduate, when i have kids, because im sure they would see the best out of you like i did. i see you in my dreams and cant get over seeing you because i need you right now and so does everyone else. it hits me harder and harder knowing your not going to be part of my future. i wish i can visit you and go to dennys, and the swap meet one last time together. you will forever be with me, i love and miss you so much.

Carlos, Cynthia and family, You are in our thoughts and prayers. Our love to you and your families. Your Father loved you both very much and was so proud of his beautiful grandchildren. Even though we can't be there with you, we will carry each and everyone of you in our hearts. Much Love, Aunt Chuca (Phyllis) and Uncle Al Austin, Texas
