Hello Karen, Jan and families, Please accept our sincere condolences on your Mom's passing. She was an original, wasn't she? We did not know she had moved out of state, but now she will be with your Dad here at Greenwood. My favorite memory of your Mom was all of the help assistance, guidance and support she gave to me and my family when I married Terry. She was our "general" and made sure everyone started off on the right foot and stood in the right place. Your Mom and my Mom were such dear friends, and I imagine about now they're playing 42 and telling stories in the southwest corner of Heaven that is reserved for those of us fortunate enough to have been from San Diego and the Lemon Grove congregation. You are in our thoughts and prayers and if you would share your addresses, we would send a card to you both. With Our Love and Sympathies, Weldon Griffin, Rick and Jan Griffin, Sharon Bergan and Lynette and Chuck Sheffield and family
