Hey cousin Gene. Man, so many good memories with your family growing up. I loved going to your house as a kid and your dad would always give all the kids money.:) When your dad and mom passed away, you Labnao children stuck together and took care of each other. You will be greatly missed Gene. I will pray for you and the family always. Please say hi to my mom and Sal for me and to your mom and dad as well. God bless you dear cousin. May you rest in peace. Amen. Angie Reyes Marrion
