Such a dear friend, Carole and I shared a wonderful friendship while we shared a classroom at Sparta High. She may have been the most giving person in our school. Someone once said to get something done, give it to the busiest person, and that was how they described Carole and her giving heart. She will always be with me. The loves of her life were her husband and daughter, and I'm sure she would have so much to say to them if she could. My sincere sympathy and prayers,
