Tony Roderick Reynolds

NOV 24, 1960 - FEB 13, 2017

Tony Roderick Reynolds was born to Ernest and Mae Reynolds on November 24, 1960 in Paris, Texas. Growing up in a military family, Tony spent the majority of his childhood traveling throughout California residing on and near Navy bases where he enjoyed participating in various sports. He graduated from Encinal High School in Alameda, California in 1978, and as a young adult prayed with his parents to accept Jesus Christ as his Lord and Savior. He was a member of Bayview Baptist Church in San Diego until he sought to express his life-long love of math and science by earning a B. S. Degree in Physics from San Francisco State University in June 2000. Tony worked for many years as a high-level computer network support professional, most recently as a Desktop Support Specialist in San Francisco, California with the law firm of Jeffer Mangels Butler and Mitchell LLP. However, his pride and joy was found in being a devoted father to his five-year old son, Everett. Tony loved riding bikes, working out, reading a good book, and discussing politics. Most of all, he showed great passion and boldness in various topics as he loved to debate (especially religion). At 56 years old, Tony died unexpectedly in his sleep from Arteriosclerotic Heart Disease on Monday, February 13, 2017. He is survived by his father and mother, Ernest and Mae Reynolds; his sister, Cyndy Reynolds; his son, Everett Price Reynolds; his son's mother, Atarah Price, and his pet cat, Monkey. He is preceded in death by his niece, Kamilah Hasina Reynolds Hilt. The family is shocked and grief stricken by his sudden passing, and ask that in lieu of flowers, a donation be sent to the American Heart Association in Tony Roderick Reynolds' memory; donate online at <https://donatenow.heart.org/> or by mail to American Heart Association/American Stroke Association, PO Box 742030 Los Angeles, CA 90074-2030.

Shocked at Tony's passing. Doesn't seem real. Tony and I were good friends from our teenage years and could argue and disagree but still not let that get into the way of our friendship. I loved him very much and I'm going to miss him. He's one of the people I am looking forward to seeing again and giving a hug to when my turn to leave this world comes. "God Bless you Tony!" "Do not let your hearts be troubled. You believe in God[a]; believe also in me. My Father's house has many rooms; if that were not so, would I have told you that I am going there to prepare a place for you? And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am." John 14:1-3

I was heartbroken to hear about Tony's passing. He was a loving father to Everett and a kind man. We must keep his memory and love in Everett's heart. I am so sad for Everett. May God hold you and give you comfort and peace at this time. I found a couple of cute pictures of them I wanted to share. They make me smile when I look at them. Y'all are in my thoughts. Daryl and I had not seen Tony since he was a very young man. We are so deeply saddened and shocked at the news of his passing, but so thankful that he is with the Lord, and you will all be together once again someday. I have a photo somewhere that I am trying to locate, of me on the back of Tony's motorcycle as he gave me a tour of the neighborhood...I think circa 1986. Sending love, hugs, and prayers for comfort for the family as you adjust to this huge loss. ~ Daryl & Marty Conklin, Warren OH
