?What we have once enjoyed we can never lose. All that we love deeply becomes a part of us?  
Helen Keller Dear Anne- I have many fond memories with you from our first meeting when I was only 18 and immediately feeling a bond thanks to your granddaughter Lisa. Through the past 25 years our trip to Vegas, celebrating Thanksgiving together a couple times and your special birthday celebrations stand out in my memory. I especially enjoyed your stories of your early life spent in New York. I feel your loss and miss your infectious laugh. Rest in peace and love. Lana
