What a joy it has been to be Charlotte,S neighbor for the past 10 years. She was always so cheerful and had a greeting of hi George. In her last days it was m honor to help out when needed. Her light still shines in her home as well as her heavenly home. The queen of water aerobics. Blessings to you her family.

Charlotte was my hero. She was in water aerobics every morning before she got too weak to do it. She greeted everyone with, "Good morning George." She was a very upbeat, pleasant woman who was a blessing to everyone. I am so glad we had the birthday party for her when she turned 92. She looked so happy and so cute in her birthday tiara. I am sorry for the family's loss! Barb Johnson

Mrs. Mattinson was such a big part of my life through high school. I remember the eating contests between Greg, Gary and I on those special meatball things she made us. Then we would have the same contest at my house where my mom would cook tacos for an eating contest. To Greg, Gary, Diana and the rest of the family, may she rest in peace.
