Dear Family, So very sorry to hear of Loretta's passing. I didn't check the computer until the day after the services. I would have gone to say farewell. I knew Loretta from San Diego Twin Club so many years ago. My twins were about 10 years younger. I JOINED IN DEC. 1962, My boys were 10 days old and Phyllis Tindell took me to my first meeting. I was active for 15 years.. I always enjoyed your mom, she had the sweetest smile and I always enjoyed her laugh. She was one of a kind and we will all miss her. RIP dear sweet Loretta Sincerely. My name is Phyllis Tindell. I knew Laretta while we were both in the Mothers of Twins Club. The last time I saw Laretta was at a reunion of several twins mothers that I hosted at the Denny's Restaurant in El Cajon. We all shared memories of parties we had with the twins when they were young. I tried to find her several times after that reunion but could not. I just noticed today that the funeral was yesterday and I am very sorry I missed it. Another mother called me today asking about her after seeing the notice in the paper. There would have been several of her twin mothers at her funeral if it had been in the paper. Tell the girls that Phyllis Tindell would like to hear from one or both of them. My phone number is 619-460-5021. I am 97 years old and am in a wheelchair now but I would have been at her funeral if I had checked with the notice in the paper sooner. I am very sorry that I had lost track of her. My condolences to the children.

I was fortunate to know Laretta for about 40 years first thru work and then thru a social group called the Ho Ho Ho's. Laretta always found "sweet" birthday cards to give each of us on our birthdays when all our other friends delighted in giving cards with a dig reminding us about the "joys" of aging. She loved dancing with Fred and traveling with him. They were a fun couple. I will now think of them dancing together in Heavens Ballroom..Sharon
