**Karmz Cordova** lit a candle in honor of Ian.

Ian what a journey it's been. I think of you at times and how you made me laugh. Our relationship was something that god knew I needed at that time. We were inseparable sometimes I was at your house and most of the time you were at my house. Making me happy was always your goal. I miss you and loved the time we shared 3 years. I know you are in heaven and I know you are looking down at all of us. I wanted to share with you I met someone who reminds me of you. He makes me laugh, and his humor is very much like yours. You will never be forgotten.
