AUG 5, 1988 - JUN 30, 2016

**A**mber Monique Moret was born on August 5, 1988 at Kaiser Permanente Hospital in San Diego, California. The first of two children born to Jose and Terece Moret, she began her education at Longfellow Elementary School where she learned to speak, read and write fluently in Spanish. She then went on to O'Farrell Middle School and graduated from San Diego High School with an International Baccalaureate diploma. She furthered her education at San Diego State University and received a Bachelor of Arts degree in Public Health in 2011. Amber enjoyed fishing, traveling, and playing with children, especially her Godsons. It was music to her ears to hear Josiah say, "Godmommy!" Amber also loved to cheer and dance! At the age of 10 she continued her passion for caregiving by caring for both of her great-grandmothers. Amber's teen years and early adult life were spent working at Build-a-Bear and Qualcomm, and spending time with family and friends. She was a finalist in an essay contest for Top Teens of America, sponsored by Lawrencyn Shiner, of Top Ladies of Distinction. As Amber advanced in her career, she embarked upon a position at Costco in the Optical Department as a licensed optical technician. After being employed at Costco for 7 years, Amber moved to UCSD Shiley Eye Institute in La Jolla, California. Amber was the most loving and understanding daughter, granddaughter, great-granddaughter, sister, niece, aunt, and friend. She would always tell you what you needed to hear, whether you liked it or not. She had a gift for bringing people together.
