My Aunt Ayleen was an awesome woman who always welcomed and loved me no matter what. She and Uncle Bill even gave me a place to stay while I found an apartment when I first moved to San Diego to attend college in 1980. Over the years I visited her and Richard when I was in town on business and loved spending time with them. She lived a very long and full life and I know she is in a wonderful place now and onto a new adventure. I'm sending her and my entire extended family all my Love and Light. Julie Franklin

A wonderful, loving person, always with a smile, visible in person or across the miles. Ayleen taught, and demonstrated, the importance of family ties. She and Bill were always happy together, whether in California, Texas, or even New Jersey. Her visits to Florida were among the happiest in Madalaine's life. In a precious few encounters over the decades, she taught me much. My wife, Suzi, and I will forever miss her – Rick
