# **Fernando Moises Carranza**

MAR 28, 1980 - MAY 1, 2016

**I** Am Free Don't grieve for me, for now I'm free. I'm following the path God laid for me. I took His hand when I heard Him call, I turned my back and left it all. I could not stay another day to laugh, To love, to work, or play. Tasks left undone must stay that way. I found that place at the close of the day. If my parting has left a void, Then fill it with remembered joy. A friendship shared, a laugh, a kiss, Ah yes, these things, I too, will miss. Be not burdened with times of sorrow. I wish you the sunshine of tomorrow. My life's been full, I savored much; Good friends, good times, a loved-one's touch. Perhaps my time seemed all too brief, Don't lengthen it now with undue grief. Lift up your heart and share with me; God wanted me now, He set me free.

Nando, what can I say? I will always have great memories of you and our family sharing great times. All of our hearts are hurting for losing you. If only you had reached out to us we could have helped you through your pain, but at least now you are resting in peace with your beloved mom, my sister Frances. May the Lord always keep your soul close to him. Give your Tata and Nana and my sis big hugs and kisses in Heaven Mijo. I'll never forget you. I Love You Always and Forever, your Big Tio Oscar.

Nandito was a very active little boy. When I saw him last, he was I reminded him of it, looked at me with a smile, hugged me and said I was still his aunt. Sweet soul who just seemed to be happy to see those he hadn't see for a while. Divine mercy is what you are so deserving of it. Tia Coquis

I love you my cousin. You and I are the same age and I always told people that I had a cousin in SD my age. I wish I had not waited so long to try and see you. I remember that fun times we would spend playing outside my house in San Diego. Also, staying at your house and eating candy. My heart hurts but God brings me peace to know you are with your mommy now. Rest in Peace my handsome cousin. Love always Jennie Carranza
