Can't express how sad I am to hear of Bob's passing. I have many sweet memories of participating in Single Adult activities at Church together. We were both in leadership capacities in our respective areas of town, so we worked together on many conferences, firesides, chili cook-offs, barbecues, dances (nice 2-stepper, by the way!), and more. But, my favorite memories are of all the times we sang together in our Single Adult Triple Quartet...and other choirs. Bob was one of the truly "good guys". He was all about helping people. There was nothing you could ask of him that he wouldn't do with his ever-present smile and warmth. And, he had a deep testimony of the Gospel of Jesus Christ. His faith was ever-present. He was my sweet, gentle friend and will always hold a special place in my heart. He will be sorely missed. My love to his family, Phyllis Cain
