David Anthony Pina

MAR 29, 1959 - MAR 31, 2016

God's Garden God looked around his garden And found an empty place, He then looked down upon the Earth And saw your tired face. He put his arms around you And lifted you to rest. God's garden must be beautiful He always takes the best. He knew that you were suffering He knew you were in pain. He knew that you would never Get well on earth again. He saw the road was getting rough And the hills were hard to climb. So he closed your weary eyelids And whispered, 'Peace be Thine'.

Dedicated to my dear friend, jelly bean. Love you. PESCADOR DE HOMBRES Spanish Lyrics 1. Tú has venido a la orilla, no has buscado ni a sabios ni a ricos; tan sólo quieres que yo te siga. Estribillo Señor, me has mirado a los ojos, sonriendo has dicho mi nombre, en la arena he dejado mi barca, junto a ti buscaré otro mar. 2. Tú sabes bien lo que tengo; en mi barca no hay oro ni espadas, Tan sólo redes y mi trabajo. 3. Tú necesitas mis manos, mi cansancio que a otros descansa, Amor que quiera seguir amando. 4. Tú, pescador de otros lagos, ansia eterna de almas que esperan, amigo bueno, que así me llamas. Lord, You Have Come1. Lord, you have come to the seashore, neither searching for the rich nor the wise, desiring only that I should follow. Refrain O, Lord, with your eyes set upon me, gently smiling, you have spoken my name; all I longed for I have found by the water, at your side, I will seek other shores. 2. Lord, see my goods, my possessions; in my boat you find no power, no wealth. Will you accept, then, my nets and labor? 3. Lord, take my hands and direct them. Help me spend myself in seeking the lost, returning love for the love you gave me. 4. Lord, as I drift on the waters, be the resting place of my restless heart, my life's companion, my friend and refuge. My beloved friend; I just found out yesterday by googling your name that you are no longer here. As I write this, my heart aches knowing that I will not see you again. I wish that I could have been there to say good bye. But, you will always be with me. Your friendship meant a lot to me, and I miss you very much. I can't believe that this is happening. You were kind, and intelligent (to the point of being scary, lol). It will be very hard to find someone like you. We met in college by chance and that was great. Love always, and I will never forget you. Mary Emily Beck

David was 5 months older than I; we grew up together living across the street from one another in a small town in MA. I recall our childhood, our teens, and our adult lives in so many memories. From the competition we had playing every sport, attempting to camp out under the stars only to be driven indoors by mosquitos (probably should have had a tent lol), to a time in high school where at the bus stop were both wearing the same blue checkered bellbottom pants. (I did run in the house to change.) From driving a young enlisted guy from Los Angeles to San Diego for his start at boot camp in what would be a career in the Navy, to the birth of his son. I have a life of stories with my cousin David. I will miss him. Dominic
