So wise so young, they say, do never live long. – William Shakespeare. No one can comprehend why Pranav departed so early. But perhaps, he was truly a "Mahatma", a great soul. Through all of humankind's various histories, somehow, it is always the kindest, the wisest, and the happiest of people who are called upon first. It is my belief, and I believe everyone's belief, that Pranav was a great Mahatma of this world. We will forever be touched by him, because what he did for us was always more than what we could have possibly done for him.
