To my beloved Nunu words can't express how I feel right now. My heart is aching and torn. I close my eyes and all the happy memories come to mind and when I saw you grow up. You were always playing and getting in trouble with your cousins and seeing your cute smile lighten up the place! I will remember your memory as Nunu the one that always helped others, greeted everyone with a smile and I can go on... I know you knew everyone loved you and you loved us. I miss you soo much!!! I wish I can turn time back to hug you and tell you how much I love you! Forever and always in my heart and soul. I know you will be smiling down at us and spiritually. RIP my angel
