Hmmm, this is a very random memory, but it stays with me.. I've always been into sports, and "Pops" always said that he never doubted that I would be good cause I was "His Son". I always thought... Hush old man.....Well we were at Admiral's Baker Field one year having a picnic and we were playing football with a bunch of people. I remember seeing Pops FLYING down the field and I thought.... "DAAANG, Maybe I do get it from him" lol. He was always good at whatever he decided to do, and I believe that I follow right along in those footsteps!! I Love you Pops.
