Themetrice Braswell Laskey

OCT 14, 1965 - SEP 16, 2015

Themetrice Braswell Laskey was born on October 14, 1965 to Thelis R. Braswell and Patricia M. Braswell in San Diego, California. As a child, Themetrice grew up in a home surrounded by love and laughter with her parents, two sisters and her brother. Themetrice grew up in San Diego, California and attended Hardy Elementary, Horace Mann Junior High, and graduated from Will C Crawford High School in June of 1983. After she graduated from high school, she attended Cal State San Bernardino University. At an early age, she developed a love for fashion and doing her sisters hair. Subsequently, when she grew up, she pursued and obtained a Cosmetology license. After working in the hair industry for several years, Themetrice began a career at Cox Communications in 1995, where she met her husband, Stephen Mack Laskey. They fell in love, got engaged and on July 13th, 1999 they eloped and became husband and wife in Barbados. For the past 10 years, Themetrice worked for the Chula Vista Elementary School District as a Supervisor of Outdoor Activities, due to her love of children. Themetrice enjoyed traveling the world with her husband, going to the beach, spending time with her family, nieces and nephews. Themetrice lived her life to the fullest always achieving any goal she set for herself. Themetrice grew up learning from her father, that there are three types of people in the world: Those that make things happen, those that watch things happen, and those that say “What happened”? Themetrice always made things happen! Themetrice is survived by her husband, Stephen Mack Laskey, her parents Thelis Braswell, Patricia Braswell, and her stepmother Alionia Braswell. She is also survived by her sisters, Patrice Braswell, Regina Braswell, Jasmine Braswell and her brothers Thelis R. Braswell II and Rubin Braswell. Additionally, Themetrice is survived by her four nieces Trishana, Savannah, Briel, Paris and her nephew Brandon, and three great nieces, Braniya, Braleah and Penelope as well as a host of other family members and friends. At this time Steve and the family would like to take this

I worked with both Themetrice and Steve at Cox. I remember passing along a message between the two of them but I don't recall exactly now how it went. Was it she was interested in him or he was interested in her ??? Lol. I just remember thinking they would be a good match for each other, two nice people. And her so pretty like a princess and Steve the gentleman like Prince Charming. I know she is an angel among angels. — Debbie Cortell

There's no way I can talk about my childhood without including the Braswell family, life on Liber Street included the many adventures of the Spikes and Braswell girls. I remember Meeche as the feisty one and when I ran into her 26 years ago – I was happy to see that she was still as feisty as ever. Rest in peace Meeche and to the rest of the Braswell family – you have been and will continue to be in my prayers.

I've been trying to track Meechee down for years...she helped shape my years at Hardy Elementary and to this day, I treasure her spirit and energy. I want so badly to tell her how an experience we shared continues to hold power (good power!) within me, and that, from across the miles and years that have separated us, she sill steers conversation in my life...conversation that resolves all kinds of issues and concerns. May her beautiful family be surrounded with tremendous love and support, especially now. My love to your girl. Jo McElroy Senecal

My brightest memory of Meeche is when we were in 8th grade. Jelly shoes, and her trying to teach me how to dance. We had choir together, and for our 50's show Meeche, Bridgett Fletcher and myself won the audition for "Stop. In the Name of Love". She had the most beautiful smile. To Patrice, Regina, and the rest of the family, my heart goes out to you. May she R.I.P.

Mechee and I were friends. we met at Crawler High School. We ran track together. She was way better than me. LOL. I called her mother, "mom". I spent the night at her house many times during high school...we had so much fun. I remember having a drink when we were much too young to do so and jumping off her parent's balcony into the pool below. I'm so sorry that we loss contact over years and even more sad to hear of her loss. May God bless her family and all those who loved her. I did! Love, Felecia.
