It was so nice to be able to talk to your sister at the Church even if it was a short talk but it was Wonderful to see her again just wish it was a lunch or something other than the Funeral of our Beloved Timmy.....The girls and I will get on with life but yes it will be very hard I've had the pleasure of 31 years married to him and 9 years of knowing Tim and I'm very grateful for those years many many memories for the rest of my life. Dear Vickie and girls, it is such a small world. Who would have thought someone we played with as a child would grow up and marry a girl who would eventually work with the man I married. Or that I would have the pleasure of working with his daughter. I am so sorry for your loss. Take comfort in knowing he is with the Lord now. I can't make the service but, you are there in my heart and in my prayers. Judy & Dale Hamilton
