Salvador Sedano

FEB 28, 1959 - MAY 1, 2015

Salvador Sedano, known to family and friends as Chavo was born on February 28, 1959 in Toluca, Mexico. He was the youngest of 10 born to Jose Sedano and Maria de la Salud Sedano. He would later move to TJ where he would meet the love of his life Gloria Cervantes. After they got married they moved to San Diego and bought a house in Encanto. There they started their family and had 3 sons; Oldest child Gerardo Sedano, middle child Salvador Sedano and youngest child Cesar Sedano. Salvador was a happy person who loved to crack jokes. He loved watching movies and listening to different styles of music which seems to have been passed down to his kids. Though he loved to watch tv and take regular naps what he loved and cherished most was to be around family and friends. He was truly a kind person who was always there for anyone who needed help. He will be sorely missed but will always be there with us because he will always remain in our hearts and minds. The memories we have of him will be the best way to honor him. For we may mourn his passing which is a natural but more importantly we must celebrate the great life he lived and the impact he had/made on all of us.
