Yo Edgar Zacarías el mayor de mis hermanos voy a recordar los berrinches que me aventaba de chico y que ponían en práctica la paciencia de mi padre por un juguete en las tiendas...en los momentos de mi juventud donde creí saberlo lo todo usted estuvo ahí para escucharme siempre y recuerdo cuando me dijo que me amaba mucho y que si me metía en un problema me iba a dejar aunque le doliera su corazón enfrentar las consecuencias de mis actos...por eso padre muchas gracias por confiar en mi y soltarme la rienda para aprender de mis errores...siempre voy a recordar las sonrisas que me dabas cuando te alegraba lo que estaba haciendo y cuando andaba de payaso la mirada que parecía me decía en voz alta ya párale cabron, puedo decir con certeza que cualquier nalgada que medio me la merecí y se la agradezco con todo el corazón... gracias por enseñarnos a respetar a las personas para que nos respeten, y yo le prometo que voy a continuar a pasar sus mejores enseñanzas a sus nietos asta que diosito nos reúna otra ves! Descanse en paz Don Rafa!

I remember that you always read to me and Edgar when little before bed, at times you made up the stories to make them more interesting. You played, wrestled with us, took us every Saturday for a WWE magazine and a paleta payaso. You worked so hard for us, gave us so much advice and not just us, everyone that needed, you were a people person daddy always with your bright eyes and huge smile, always willing to lend anyone a helping hand. You kept it real, and always said "sean la diferencia no unos del monton!" be authentic, be you, not one more copy! you bought us happy meals but took us walking hahaha bcz you wanted us to exercise before eating junk food. You always allowed us to be us you never put any of your children in your box, you listen to our rap while in the car. You are the reason I am the way I am a woman with big cajones. I love you daddy and know that you're in heaven watching over us. Descansa en Paz mi papito hermoso!

Rafael was the best father in law any girl could ask for. He was always considerate of others. I loved when he would randomly call Edgar or myself to go eat at Negro Durazo or El Kora. A man with a big heart!!! we were in it together till the end. You are missed so much already. And I will forever cherish your way of saying "I love you to me" he would always with a huge smile on his face tell everyone this is my daughter in law and I love her too much. I miss you so much!!!! Rafa... I love you too much!! Te quiero mucho!!! Rest in paradise... Descansa en Paz!!! YOUR 1 AND ONLY DAUGHTER IN LAW... Lorrie "la guerra"
