Margaret Bullock

APR 8, 1935 - APR 10, 2015

Margaret Bullock, 80, of San Diego, California passed away in Marietta, Georgia on April 10th, 2015. Margaret Bullock was born in Portland, Arkansas on April 8th, 1935 to Lilly and Willie Hicks. Margaret Bullock worked as a seamstress by trade and care taker for elderly patients until her retirement. Margaret Bullock was a loving wife, mother and grandmother. She selflessly sacrificed her life for her family. Margaret Bullock raised four children. Her loving nurturing nature led her to also raise her grandchildren, great grandchildren as well as her great-great grandchild. Throughout all of the pain and suffering, she made sure she was always there for her children, grandchildren and family. Margaret was the first one up every morning to care for her family and the last to rest her head every evening. Daily, she prepared family meals from scratch, taught many valuable life lessons and provided a great example of true valiant character we all admired. Margaret Bullock was the strength of the family and will continue to live on as the strong, resilient, funny, family-oriented, powerful, stunning, and loving woman we've all come to cherish and love. Margaret Bullock is survived by brothers Aaron Hicks and Sammy Hicks; four children Charlene Thomas, Maria Adams, Johnnie Bullock, and Reana Key; grandchildren Debra Bullock, Dwight Bullock, Talinna Johnson, LaTonia Bullock, LaToya Owens, Charlitta Bullock, Shamargaret Temple, Nickie Temple, Loraine Williams, Desmond Phillips, Shadae Lord, Johnny Bullock and Mekhi Key; great-grandchildren Jennifer Barnes, Mercedes Martinez, Marcell Martinez, Mikael Hysaw, Johnathan Martinez, Terrell Johnson, Isaiah Whitaker, Khadir Bullock, Kiara Owens, Amir Johnson, Nakiah Temple, Ian Richey, Danielle Williams, Tyonia Payne, D'neyah Chapman, Diamond Williams, Ramira Phillips, Damir Phillips, Demi Williams, Dallas Williams, Lamonte Jones and Royale Payne; great-great grandchildren Arion McCondichie, Iniyah Jackson, Destiny Martinez and Scirenty Martinez; a host of cousins, nieces, nephews, great-nieces, and great-nephews.

As the only Great-Grandchild to be raised by the Late Great Margaret Bullock, I'd like to share a few memories. Margaret/Gramo has been the Matriarch of our family for generations and still continues to hold that position from the Gates of Heavens Doors. The Perserverence & Determination instilled within her less than 5'5 frame matched that of Heavyweight Champions such as Muhammad Ali, Joe Frazier Joe Lewis. As a woman of God she was responsible for nurturing the development of Boys into Men & Girls into Women. She succeeded at that challenge thru multiple Generations without Hesitation. There isn't a Man or Woman alive that I personally know of that's displayed equivalent strength and resilience all while being limited to a fixed income. A favorite saying of hers was "We Are Not the Jones's Nor Can We Keep Up With T he Joneses." Basically stating we are not rich yet we are not poor through unconditional love and the decision of Good over Evil we can triumph over Poverty together as a Family. Unfortunately my beautiful grandmother did not live long enough to witness a family of love without the harshness and cruelty of financial deprivation. It may take another generation for your dream to be realized Gramo but it's my promise from your Great Grandson that we now share the same dreams, the same pains, and for you I will make sure to gather our Family as one and t and not allow the effects of evi to interfere with our family the way it did with drugs and broken bonds. I love you Gramo live on thru each of our memories for your beautiful smile. Love u Gramo -Marcell Martinez
