**¡U**na Lagrima Se Evapora! Una lágrima se evapora, una flor sobre mi tumba se marchita, más una oración por mi alma la recoge Dios. No lloren, amados míos. Voy a unirme con Dios y los espero en el cielo. Yo muero, pero mi amor no muere, yo les amaré en el cielo como los he amado en la tierra. A todos los que me han querido les pido que rueguen por mí, que es la mayor prueba de cariño. – Amén

When I am gone, release me, let me go. I have so many things to see and do. You mustn't tie yourself to me with tears. Be happy that we had so many beautiful years. I gave you my love. You can only guess how much you gave me in happiness. I thank you for the love you have shown, but now it's time I traveled on alone. So grieve a while for me, if grieve you must, then let your grief be comforted by trust. It's only for a while that we must part, so bless the memories within your heart. I won't be far away, for life goes on. So if you need me, call and I will come. Though you can't see or touch me, I'll be near. And if you listen with your heart, you'll hear all my love around you soft and clear. And then, when you must come this way alone, I'll greet you with a smile, and say, "Welcome Home."
