Gilberto Enriquez

DEC 5, 1955 - JAN 27, 2015

God saw that you were getting tired, and a cure was not to be. So He put His arms around you, and whispered “Come with me.” With tearful eyes we watched you suffer, and saw your life fade away. Although we love you dearly, we know we could not make you stay. A golden heart stopped beating; hard working hands to rest. God broke our hearts to prove to us, He only takes the best.

My life changed on January 27, I lost the man that loved me unconditionally, he was a great father, and a great husband to my mom, I wanted God to heal him so bad with all my heart. I prayed and I believed, but that's not what God wanted for my dad. He saw him suffering, something I looked past, I just wanted my dad to have hope and not give up and assure him that God was with him. With tears in his eyes he would look at me and nodded his head (YES), HE was a fighter and I know he was fighting because he loved our family, I will never forget the times I spent with him, all the great memories we shared together. Especially the BLUE ANGELS AIR SHOW, that was our family outing. And I will always be your lil' girl, TE ESTRANO MUCHO Y TE QUIERO MUCHO.
