Katherine Silver posted:

I have a lifetime of stories (mine, not his), I would be happy to share. I know that our part in his story was small, but his role in ours was significant. Dick was my dad's best friend, and as much family to me as anyone on the planet. I am so glad I got to talk with him more often these last years, and a good talk one day this last fall. I am sorry to hear of his passing, but very inspired by how he lived his life – setting a standard I strive to support — his independence and pride carrying him through to the end. I'll miss him. Prayers for comfort for you all, may he hunt and fish, ski and sail, and laugh through eternity. Remembering him fondly, grateful for his service, gladdened for the recognition he received these last years, Katherine Ledford Silver
