'George it was a true pleasure having you as a neighbor. Missing someone gets easier every day because even though it's one day further from the last time you saw each other, it's one day closer to the next time you will. Peace & Love....forever

George, when I look in the sky at night there might not be stars in the sky, but instead, there are openings in the sky for our loved ones to look down and shine upon us to let us know they are happy. Peace & Love for eternity.
